Exhibitor Submission

Thank you for your interest in the Skokie Northshore Sculpture Park. The Sculpture Review Committee meets periodically during the year to review new submissions. Work that is accepted is placed in the Sculpture Park for an agreed upon loan period, generally two years. The Sculpture Park offers the artist a stipend and/or pays the cost of transportation and installation. Each situation is negotiated on an individual basis. All work on loan to the Skokie Northshore Sculpture Park can be for sale, and the Sculpture Park will field inquiries and pass them on to the artist.

We look for work in a wide variety of media and styles, but all sculptures must be durable and suitable for outdoor placement. Only professional sculptors who have worked on large scale format should apply.

Please submit the following. All information must be included.:

1. Your name, address, phone/fax/email information, and artist web site URL.
2. A Sculpture Image Packet of up to five examples of available sculptures, offering two views of each sculpture (images can be submitted as slides, 8×10 photographs, or on CD-ROMs).
3. Sculpture Information Sheet listing each sculpture numbered to correspond to the pictured images. Include title, size, media and any other pertinent information.
4. A resume, artist statement, and a self-addressed, stamped envelope.

If you are proposing to create a site-specific work for the Sculpture Park, please send detailed written information and visuals, along with examples of other completed work.
